

WORK DAY

Bluffton Baptist Church

March 2017

How God has blessed

When we decided that we needed a designated space to welcome visitors and fellowship with one another during our Sunday morning time together, the leadership decided to create a place in the back of the sanctuary. Bluffton Baptist had decided to, when funds were available, create such an area by laying ceramic tile and creating an area for coffee and conversation. Another Southern Baptist Church has decided to partner with us by laying this tile at no cost to us. Monroe Missionary Baptist Church is bringing a team down on April 7th to begin the work.

“What ever you do, work heartily, as for the Lord and not for men...”

- Colossians 3:23 E.S.V.

Where You Fit in

On Wednesday April 5th (in lue of our home studies) we need volunteers to tear out the old carpet, scrape up the glue residue, re-adjust our pews and to carry in the supplies for our coming team. I hope that you will plan on joining us

Supper provided

Due to this being in the evening and on a work day, supper will be provided for all who come out to work. We will serve the meal at 6:00 PM and then begin our “de-construction.” Please sign up (on the bulletin board) if you are planning on coming out so we can properly prepare the meal.

Details:

- Work day
Wednesday April 5th
- Meet at 6:00
for supper
- Preparing our new
welcome center for
tile
- Bring scrapers and
flat shovels for glue
removal
